HIGH SCHOOL BUILDING UPDATE: A Place to Build the Next Generation

Our High School classroom retrofit is moving along beautifully, and we are so grateful for the incredible support we have received. The vision is becoming reality! To complete the project and have the building ready for this school year, we still need to raise **\$200,000** this summer.

Today, we are asking you to **stand and be counted**. Would you prayerfully consider making a gift or pledge to help us finish this important project?

When I think about this new High School building, I immediately think about our alumni. For more than 43 years, Sussex Christian School graduates have been making a difference in their communities across New Brunswick, throughout Canada, and around the world. They serve in medicine, business, education, law enforcement, engineering, the skilled trades, ministry, law, and countless other fields. They are raising families, serving in their churches, strengthening their workplaces, and leading with integrity.

At Sussex Christian School, our High School students receive an excellent education that meets them where they are and equips them with the knowledge and skills to succeed. Time and again, we hear from graduates who discover they are well prepared for post-secondary education and often become leaders in their classes and the ones helping others succeed.

Just as importantly, we believe education should develop the **mind, body, and soul**. Through caring Christian teachers, meaningful chapel experiences, intentional Bible study, and strong character development, our students receive what we like to call a **Gospel-infused education**. One that prepares them not only for a career, but for a life of faithful service and leadership.

This new High School space is, in many ways, dedicated to the graduates who have gone before and an exciting investment in those who are yet to come. It represents our commitment to providing exceptional Christian education for generations of students and will be a wonderful addition to the SCS Roachville campus and to the educational opportunities available in our region.

Thank you for prayerfully considering a gift or pledge toward this project. Your generosity will help us complete this important work and ensure that our students begin the school year on a strong foundation in a space designed specifically for them.

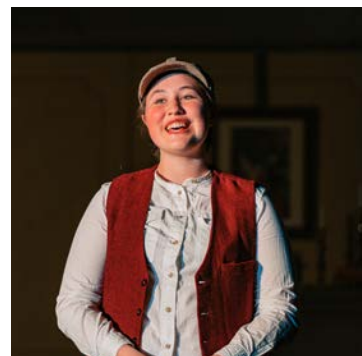

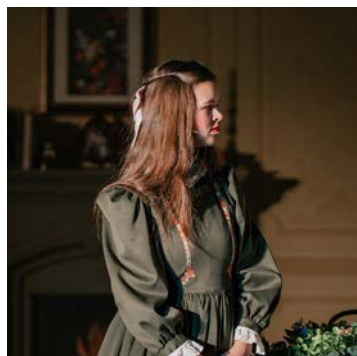

Together, we are building far more than classrooms, we are investing in lives, in faith, and in the future.

Blessings,
Dr. Marsha Boyd Mitchell

A SOLD-OUT SUCCESS: *The Secret Garden*

This past spring, Sussex Christian School proudly presented *The Secret Garden* in the Warriors Conference Centre, welcoming three consecutive sold-out audiences. It was an unforgettable production that showcased the remarkable talents and dedication of our students.

Under the direction of **Tammy Morris**, a seasoned and respected local professional in children's and youth theatre, our students brought this beloved story to life with excellence and heart. The principal roles were performed by our high school students, while our middle school students added depth and energy in the supporting cast. Together, they poured countless hours of rehearsal, creativity, and commitment into every performance.

BOOK FAIR Spring 2027

This spring, we were excited to host our first Book Fair, providing families with a wonderful opportunity to explore and purchase educational and Christian resources for their homes. We extend a heartfelt thank you to **Marissa Morton**, parent and board member, whose vision, organization, and dedication made this new event a success.

We look forward to making the Book Fair an annual tradition and are excited to offer even more resources in the years ahead. It is our hope that these books and materials will continue to support families as they nurture faith, encourage Christ-like character, and enrich learning in their homes.

GOLF TOURNAMENT

LOOKING FOR FOURSOMES TO TEE UP FOR A GREAT CAUSE

Each participant is asked **to raise** a minimum of \$150 per golfer (\$600 per foursome) to take part in the tournament. But this year, we are challenging you to go beyond the minimum and make an even bigger impact.

The more you raise, the more you play for. You'll unlock added prizes and on-course perks, compete for top fundraiser recognition, earn exclusive bonuses and tournament upgrades, and maximize your contribution to a meaningful cause.

**Rally your network, build your team,
and push past the minimum.**
