

OCTOBER 2026

NEWSLETTER

Our High School classroom retrofit is moving along nicely, and we are so grateful for the incredible support we have received. The vision is becoming reality! To complete the project and have the building ready for this school year, we still need to close the gap to raise \$30,000 more to make the \$100,000 match.

Today, we are asking you to stand and be counted with us on this project.

Would you prayerfully consider making a gift or pledge to help us finish this important project?

When I think about this new High School building, I immediately think about our alumni. For more than 43 years, Sussex Christian School graduates have been making a difference in their communities across New Brunswick, throughout Canada, and around the world. They serve in medicine, business, education, law enforcement, engineering, the skilled trades, ministry, law, and countless other fields. They are raising families, serving in their churches, strengthening their workplaces, and leading with integrity. At Sussex Christian School, our High School students receive an excellent education that meets them where they are and equips them with the knowledge and skills to succeed. Time and again, we hear from graduates who discover they are well prepared for post-secondary education and often becoming leaders in their classes and the ones helping others succeed.

Just as importantly, we believe education should develop the mind, body, and soul. Through caring Christian teachers, meaningful chapel experiences, intentional Bible study, and strong character development, our students receive what we like to call a Gospel-infused education, one that prepares them not only for a career, but for a life of faithful service and leadership.

This new high school space is, in many ways, dedicated to the graduates who have gone before and an exciting investment in those who are yet to come. It represents our commitment to providing exceptional Christian education for generations of students and will be a wonderful addition to the SCS Roachville campus and to the educational opportunities available in our region. Thank you for prayerfully considering a gift or pledge toward this project. Your generosity will help us complete this important work and ensure that our students begin the school year on a strong foundation in a space designed specifically for them.

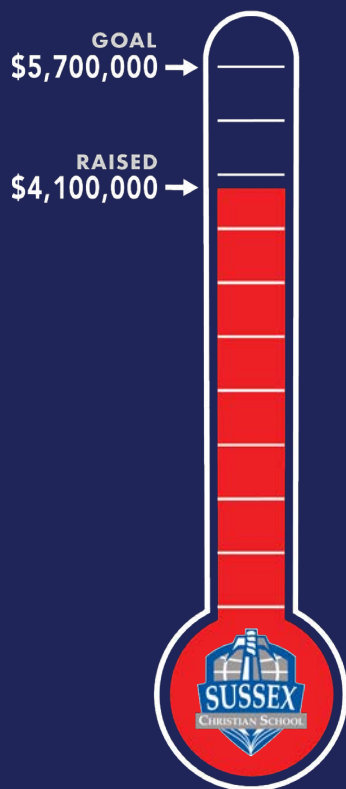

Together, we are building far more than classrooms, we are investing in lives, in faith, and in the future.

Blessings,
Dr. Marsha Boyd Mitchell

HELP BUILD A LEGACY FOR GENERATIONS TO COME

BUILDING COMMUNITY
TOGETHER

Only \$1.6 million remains to complete the Building Community Together campaign. Because construction costs for the High School Classroom Building came in higher than originally estimated, we needed \$200,000 in additional gifts and pledges to finish the building.

A generous donor has offered to **match gifts dollar-for-dollar up to \$100,000.**

So far, \$70,000 has been raised toward this match, leaving just **\$30,000 left** to unlock the full \$100,000. That means every dollar you give now is worth twice as much until the match is fully claimed. Join us as we build a legacy of Christian faith and academic excellence.

We are inviting current and past families, staff, and alumni to come together and make a transformative difference for the next generation at Sussex Christian School.

GIVING LEVELS

Faith Partners

\$1,000 gifts

Day care and afterschool care.
Watch out for more details!

Grand Manan
LITTLE LIGHTS
Early Learning Centre

POLEY MOUNTAIN SKI SCHOOL

Starting in January
Stay tuned for details.

AFTERSCHOOL CARE

Our afterschool care program offers a safe, creative space where children can play, make friends, and grow through character training and Bible teaching.

Convenient locations: Sussex Christian School, Atlantic Community Church, Faith Bible Baptist Fellowship and Trinity Anglican Church

For more info: www.scslittlelights.ca

CHAPEL SERVICES

As we begin another school year at Sussex Christian School, we are excited about what God has in store for our students through our weekly chapel services. Principal Alward has spent time this summer praying and thoughtfully planning this year's chapel program. This is a core program for SCS and we have a strong desire to see each child grow in their knowledge and love of God's Word.

At our Encounter Campus, elementary students are studying the Word of God under the direction of Atlantic Child Evangelism Fellowship (CEF) Director, Debbie Hatfield. Our middle school students are being led in their study of Scripture by SCS parent Canon Paul Ranson. Meanwhile, our high school students are gathering at the Roachville Campus, at the Warriors Conference Centre for chapel, led by Rev. Mark Worth.

Our youngest students at Little Lights, are also taking part in chapel each week on their respective campuses at Calvary, ACC, and Trinity. These services are thoughtfully designed and age-appropriate, giving every student an opportunity to learn about God in a way that connects with where they are in their faith journey.

Each week, our Sussex Christian School students are lifting their voices in praise, memorizing Scripture, studying the Bible, and praying together. Our prayer is that these chapel services will do more than simply fill a time on the school calendar, but that God will use them mightily to shape the hearts and lives of our students. We are thankful for the many people who are investing their time and talents to invest in our students. May He use chapel to draw each student closer to Himself and help them mature in faith.

Christmas

Craft Fair & Silent Auction

Nov. 28 starting at 8:30am | Warriors Conference Room

**Stop by JJ's Diner for your
breakfast, lunch or supper**

Snacks available from Student Council Canteen.

INTRODUCING OUR 2026-2027 STUDENT COUNCIL!

This group of student leaders from Grades 9-12 will be serving our student body all year long in many different capacities! We're so grateful for their willingness to serve their fellow students & we're so excited for the amazing year ahead!

Capital Campaign Fund Raising Event*

GOLF TOURNAMENT

June 24, 2027

LOOKING FOR FOURSOMES TO TEE UP FOR A GREAT CAUSE

Each participant is asked **to raise** a minimum of \$150 per golfer (\$600 per foursome) to take part in the tournament. But this year, we are challenging you to go beyond the minimum and make an even bigger impact.

The more you raise, the more you play for—unlock added prizes and on-course perks, compete for top fundraiser recognition, earn exclusive bonuses and tournament upgrades, and maximize your contribution to a meaningful cause.

**Rally your network, build your team,
and push past the minimum.**

**REGISTER & START YOUR
FUNDRAISING TODAY!**
