Summer Adventure Camps
Guide

SCS Summer Adventure Camps

What Our Camps Are About

Our goal is to provide childcare over the summer for your preschooler and school age children. Our days will be packed full of games, activities, crafts, and outings around our community! We will be spending lots of time in the great outdoors, as well as in our cozy classroom! Our leaders will ensure that all Covid-19 protocols are followed and will do their very best to keep everyone safe!

How We Plan to Keep Everyone Healthy

Ratio- We will maintain physical distancing throughout the day with our bubbles of 15 plus leaders. Anyone within the 15 bubble is exempt from the 2-meter physical distancing.

Hygiene- When entering our school, we have sinks that we will use to wash our hands several times a day. The leaders will encourage good handwashing skills throughout the day. We will wash out hands on arrival, before and after meals, after bathroom breaks, after coughing or sneezing, and after playing outside!

Location- Throughout the day we will spend time playing in our classroom, gym and of course lots of outside time.

Things to Bring:

1. Two snacks, a lunch, and water bottle
2. Sunscreen (Please make sure the first layer is already on!)
3. Bug spray
4. Sun hat
5. Appropriate clothes for outside

What Not to Bring:

1. Electronics
2. Toys
